The Best Offer Mineral Auction Closes Tomorrow

This is the final day before the auction closes on Monday, Aug 13th! There are a good number of items which still need bids and offers and those with bids are still near the lowest levels. I invite everyone to take advantage of the low prices and add a high quality specimen to your collection at a huge discount. Everything needs to find a new home.

If you can't be here Monday for the closing, proxy bids are very welcome.

Don't miss out on this opportunity!

Good luck to all and thanks for taking part!
