### Welcome to Wrights Rock Shop

I updated Classic Gallery 9 with calcite with jamesonite, apophyllite on prehnite, cobaltoan calcite, galena with quartz, fluorite, datolite, copper with aragonite, blue albite with lepidolite and muscovite, rhodochrosite on quartz, wavellite, red quartz, kyanite, staurolite on 9/10/12.

These are some of the best calcites of their type, from Cavnic, Romania. that I have seen.

Please mention that you are a member of Wright's Mineral News for your 10% discount.
