## Welcome to Wrights Rock Shop

I created the Art Edwards Collection Gallery with barite, fluorite, strontianite, calcite, axinite, uvarovite, prehnite from China on 11/23/12. Art Edwards is a Chinese mineral collector that has released many of his interesting specimens.

Please mention that you are a member of Wright's Rock Shop for your 10% discount.

I will be putting the very good autunite and cuprosklodowskite specimens on 11/27/12.
