Welcome to Wrights Rock Shop

I updated Gallery 23 with smithsonite, autunite, copper crystals, rutile in quartz, hedenbergite in quartz, orpiment, elbaite in quartz, scheelite, rubellite, quartz, amethyst and others on 1/18/13.

The elbaite in quartz, rutile in quartz, autunite, hedenbergite in quartz were collected in the 1980's. The smithsonite has some interesting colors.

Please remember to mention that you are a member of Wright's Mineral News for your 10% discount.
