Dakota Matrix Minerals

Building Mineral Collections Since 1998

April 18, 2013

New Additions Update

Thursday - April 18
Just Released!

Cuprian Dundasite - Tsumeb

April 18, 2013 Update

We posted several killer, higher-end specimens today including a Samsonite, A Broken Hill Chlorargyrite and a cuprian Dundasite from Tsumeb amongst several ore type specimens and rare species.

Daily Fives

[Follow us on Twitter](#) and get tipped off what will be on that day's Daily Five.

We are likely the most updated mineral website on the Internet. Every week day we offer Five minerals as part of our "Daily Five" gallery. We don't really have a set schedule when we release these, and we don't announce their release. So it is best to check back

Desautelsite

Experience Dakota Matrix

Follow the Links below and learn what Dakota Matrix can do for you!

[Register an Account](#) and receive these benefits:

- Create a Want List
 - Expedited Checkout
 - Create a Favorites List
 - Queue (Hold) your Orders
 - Download YOUR photos
 - Receive Bonus Coupons
- [Read More Here!!](#)

Your Want List!!

In your Account area input up to 20 mineral names and we will send you an automatic email when we get set to post one of your minerals!! You must use the shopping cart to order - no advanced sales.

Your Photos!!

Did you know that when you purchase specimens on

often.

At times these Daily Five galleries follow a theme. This week we posted the rare carbonate Desautelsite, Rush Creek barium silicates and a new find of Papagoite from Nevada.

Special Editions

Randomly, throughout the year, we offer theme based updates. Themes are usually locality based but also include specialized collecting interests such as Rare Earth Minerals, Pegmatite Minerals or Mica Group Minerals for instance.

Minasragrite - Peru

Upcoming Special Editions:

Tsumeb!! - July

Franklin - October

[You must Download the Notifier to be informed when the Special Edition is released.](#)

Three ways to Order on dakotamatrix.com

1. Use the Shopping Cart and take advantage of all of our benefits.
2. Email us your order.
3. Call us at 605 718 9130.

Please know that if you do not use the shopping cart, you may loose a specimen to someone who is, since we may not make it to the phone or the email as fast as someone using the shopping cart.

We would like thank all of you for your continued interest in Dakota Matrix Minerals. It is truly our endeavor to help build your mineral collection with quality and affordable specimens.

As always, feel free to contact us by email at dakotamatrix@gmail.com or call us at 605 718-9130 should you have any questions.

Sincerely,

Tom Loomis, President
Dakota Matrix Mineral, Inc.

Dakota Matrix you get the photos too! That's right - your mineral - your photos! Simply go to your account and click the link. How cool is that?

Queued Orders

A registered account allows you to manage your orders and tell us when to send them. Pay when you are ready (up to 30 days hold). This feature is only allowed after you have successfully completed one order.

The Dakota Matrix Exclusive Notifier

All Special Editions are randomly released. BUT once you download our NOTIFIER you will be alerted immediately when it is released. If you are at your computer, you may have the first chance to choose the minerals you want. To download the notifier and learn more about Special Editions click below:

[Download the Notifier](#)

Mineralpedia!!

Enjoy hundreds of exclusive photos in our Mineralpedia. These are found no where else online. This photo database is loaded with proven, correctly identified mineral photos for your identification needs. Mineral properties are also included.
