This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * neat gemmy "rough and cut" topaz set from Namibia
- * showy orange grossular from Afghanistan
- * fine demantoid specimens; good items from Tsumeb
- * choice red beryl matrix piece, hand sized, from Utah
- * gemmy topaz and smoky quartz combination
- * beautiful yellow sulfur from Russia
- * many excellent thumbnail specimens
- * large showy azurite from China
- * choice large crystallized grouping of copper with cuprite from Kazakhstan
- * a gorgeous bright green fist-sized pyromorphite from China
- * Plus many, many others ...

As always, we welcome your comments and suggestions.
