New specimens, in all size and price ranges, have been added to the website. Look for another similar update later today or tomorrow.

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * a superb cabinet sized babingtonite/quartz from China
- * fine Tsumeb anglesite
- * numerous good thumbnails
- * choice silver from China
- * large finely crystallized magnetite from Bolivia
- * showy large malachite from Congo
- * a gemmy matrix scapolite from Afghanistan
- * excellent large sphalerite from Elmwood
- * Plus many, many others ...

As always, we welcome your comments and suggestions.
