Subject: ** Final Notice - The Tucson Mineral Auction Closes Tonight! **

The Auction Closes in Only Hours!

The Tucson Auction will close this evening at 9 PM central so there's still time for everyone to place a bid or make an offer. A new mineral auction will open next week with another offering of show minerals set again at wholesale levels.

To make things more interesting during the close, I've lowered all reserves on items without opening bids. Many of these reserves are now 60% or more off their list prices. This auction closing will feature some of the best bargains ever!

Good luck to all bidders and thank you for taking part in our Tucson Auctions!
