The Newest Mineral Auction is Ready for Bids!

This auction will feature **27** gorgeous mineral specimens from the Tucson Mineral Show and website showrooms. Each auction item is presented with a suggested opening bid level (reserve) set at or below wholesale and in many cases, this means **HALF PRICE** or even less! Please feel free to bid at these low suggested reserve levels or make your own best offer. On closing night, the best offer will be the winning bid. By the way - we're doing something in this auction to liven things up a bit since summer auctions can sometimes be a little slow. Several auction items have opening reserves of only \$1! Have fun and use the auction to add some beautiful new specimens to your collection.
