Dear David A.,

Just in case you missed this months offer or haven't had a chance to order yet....take a look at what we have lined up this month.

Our **Featured Mineral of the Month** for July is **Celestine** from Sakoany in the Mitsinjo District, Boeny Region, on the northwestern coast of Madagascar, a large island 400 miles off Africa's east coast.

The **Offerings** for July include five minerals from Australia, China, and Bulgaria. These specimens feature unusual colors and combinations of crystal shapes.

We have **sold out** of the red quartz and only have a few of the specimens from Bulgaria left.

Please read the platinum letter and offer sheet for more information .

***Click on the link on the top left of the page to see the offer sheet , platinum letter, newsletter and write up for June.**

You can place your order via email at

or by calling #800-941-5594

Coming in August...

Our Mineral of the Month for **August** will be **rhodochrosite** from China. Rhodochrosite, which is manganese carbonate, is well-known to collectors for its bright pink-to-red colors. Our specimens are a medium pinkish-red in color with smooth, glassy cleavage surfaces. We have set aside a number of exceptional rhodochrosite specimens which we will be offering exclusively to our Platinum Level members.

As always, thank you for your interest.

Celestine
