We have added 54 new specimens to the website. Nice things in all size and price ranges.

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * **fine smithsonite, a good malachite/azurite pseudo, from Tsumeb**
- * **nice beryllonite/elbaite combination from Afghanistan**
- * **a beautiful Los Lamentos wulfenite**
- * **well crystallized semseyite from Romania**
- * **old-time pink calcite from Wisconsin**
- * **choice ettringite miniature from South Africa**
- * **several neat garnet specimens; various species/localities**
- * **large fine stibiconite after stibnite from Mexico**
- * **showy cabinet sized amethyst on feldspar from Namibia**
- * **large spectacular gypsum from Italy**
- * **Plus many, many others ...**

As always, we welcome your comments and suggestions.
