We are continuing to update the regular website galleries frequently. Look for another great update some time on Wednesday.

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * **gemmy pink kunzite**
- * **fine double terminated calcite/copper from Michigan**
- * **showy matrix azurite from Morocco**
- * **large fine Tsumeb azurite**
- * **large stibiconite after stibnite**
- * **neat Nevada stibnite specimen**
- * **several large showy fluorite specimens**
- * **large showy bright yellow sulfur specimen**
- * **several choice thumbnail/toe-nail specimens**
- * **Plus many, many others ...**

As always, we welcome your comments and suggestions.
