We have just added 54 new specimens to the regular website galleries. A very good mix of price and size ranges, featuring good gem crystals, Art Smith collection specimens, thumbnails, European classics, etc.

New specimens have been posted for this week's auction. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * **an outstanding large Elmwood fluorite**
- * **large showy spessartine from China**
- * **superb large aegirine from Malawi**
- * **several good display quality Sweetwater Mine calcites**
- * **showy large golden barite from Romania**
- * **numerous rare and unusual species**
- * **Plus many, many others ...**

As always, we welcome your comments and suggestions.
