We have just added over 80 new specimens to the 50% off sale galleries. Some great bargains here, be sure to check them out!

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * neat siderite from North Carolina
- * beautiful azurite from Morocco
- * large spectacular Sardinian barite
- * good wulfenite from New Mexico
- * large fine danburite from Mexico
- * large showy smoky quartz from Bolivia
- * several rare/unusual species
- * Plus many, many others ...

As always, we welcome your comments and suggestions.
