We have added 78 new specimens to the website. All size and price ranges are available.

This is also a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * neat hand-like stalactitic malachite
- * wonderful ferberite/quartz combination
- * Kelly mine smithsonite
- * rhodochrosite from Colorado
- * gem zoisite from Pakistan
- * many excellent thumbnails
- * showy large Bisbee azurite
- * large pretty fluorite/quartz from China
- * pretty amethyst/pyrite from Romania
- * Plus many, many others ...

As always, we welcome your comments and suggestions.

Weinrich Minerals, Inc.
