Subject: * * The Tucson Mineral Auction Closes Tomorrow! * *

Just One More Day to Bid After Today!

The Current Tucson Auction is winding down and will close tomorrow on Wednesday, April 30th at 9 PM Central Time. Many fine auction specimens are looking for bids so now is the perfect time to take advantage of the low price levels. If you see a specimen you'd like to bid on, email me and we'll work out a fair starting price. Reserves are only suggested starting levels. Proxy bidding is available if you can't be online for the auction closing.

**All specimens offered below Market Value!
All reasonable offers will be accepted for the close!
Feel free to bid at or below the suggested reserves!**

The highest bids or offers will be the winners on closing night.
