We have added 60 new specimens to the website. Some very good things in all size and price ranges are available.

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * **excellent matrix copper from Namibia**
- * **wonderful large ferberite from China**
- * **well crystallized fairly rare olivenite from Mexico**
- * **choice well crystallized elpidite from Russia**
- * **fluorite from Derbyshire**
- * **large showy quartz group from Brazil**
- * **very good hydroxylherderite from Brazil**
- * **many good thumbnails**
- * **Plus many, many others ...**

As always, we welcome your comments and suggestions.
