We have added 90 specimens to the website galleries. Good specimens in all size and price ranges are available.

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * **showy sceptered aquamarine crystal**
- * **finely crystallized Michigan copper**
- * **attractive Tsumeb azurite, pink smithsonite**
- * **many excellent thumbnail specimens**
- * **neat Guanajuato fluorite specimens**
- * **a large set of gem emerald loose crystals**
- * **large choice ettringite/oyelite combination piece**
- * **an excellent large fluorapatite matrix piece from Canada**
- * **Plus many, many others ...**

As always, we welcome your comments and suggestions.
