We have made two updates to the website. One is a selection of only top quality pieces, some really neat and hard to obtain specimens. We will begin updating the galleries again on a frequent basis between now and the end of January.

New specimens have been posted for this week's auction. There are 150 great items - too many good ones to feature all in this mail! Highlights include:

- * beautiful pink rhodonite from Peru**
- * gem green tourmaline from Brazil**
- * superb large tourmaline with albite from Pakistan**
- * choice scheelite from Pakistan**
- * pearly pink smithsonite from Tsumeb**
- * large aesthetic Bisbee copper**
- * gem topaz from Brazil**
- * Plus many, many others ...**

As always, we welcome your comments and suggestions.
