Dakota Matrix Minerals

Jan. 9, 2015

Hi Folks,

Happy New Year to you all. I hope everyone had a nice holiday.

Our Weekly Update is tonight at 7pm US Mtn Time.

As usual we will have a variety of rare mineral species and mineral classics. Click <http://www.dakotamatrix.com/> . Lots of rarities as usual, including **some Tsumeb** minerals.

A few reminders:

1. If you are a registered user, **you have the power** to know ahead of time if a certain mineral will be posted. Just fill out your **WANT LIST**. Go to "[My Account > Lists > Want Lists](#)" and fill out the blanks one mineral per slot. When one of these minerals, on your list is due to be posted, you will get an email notice. You will know ahead of time...usually same day... You need to be a registered user.
2. Remember, you do not have to be logged in to order. You can email me or call me (605) 718-9130. Although I'm usually screwing off and not answering the phone after preparing an update. Ordering online through the cart, however, is the surest way of getting your specimens.

Tom
