## **The Tucson Auction Closes Tomorrow Night!**

The Second Tucson Mineral Auction is almost over and will close tomorrow, April 2nd at 9 PM Central, 10 PM Eastern Time. So many fine auction specimens still need bids, making this the perfect time to take advantage of the low auction price levels and place a bid in the action. If you see a specimen you'd like to bid on, please email me your best offer. The reserves can be used as a price guide but all reasonable bids and offers will be accepted. Proxy bidding is available and so are layaways if you'd like to pay over time for your winnings. **I'd really like to see every specimen receive a bid so don't hesitate to ask me to lower a**

**if you wish to bid in the auction. If at all possible, I will be happy to do so.**

**All specimens offered below Market Value!  
All reasonable offers will be accepted for the close!  
Feel free to bid at or below the Suggested Reserves!**

The highest bids or offers will be the winners on closing night!
