**We continue to add new specimens to the website. We hope to do so on a near daily basis throughout the month of May. Good rare species and locality pieces from the Ralph Merrill collection and University of Arizona, plus nice attractive specimens as well will be included.**

**New items have been added for auction also. There are 100 great items - too many good ones to feature all in this mail! Highlights include:**

- \* gold from Romania**
- \* large choice hubnerite/quartz from Peru**
- \* showy large Moroccan vanadinite**
- \* numerous neat rare species**
- \* many good lots of minerals**
- \* Plus many, many others ...**

**As always, we welcome your comments and suggestions.**
