The Tucson 2015 Mega-Auction is Open!

The 7th Tucson 2015 Mega-Auction is now open for bids! This is a great offering, combining many of the finest specimens from the Tucson 2015 and Denver 2014 mineral shows, while offering them at wholesale opening bid levels. In many cases, this equates to only half price suggested reserves! You can use the suggested reserves as a guide for your bidding or bid under them if you'd like. Try to make your best offer however, because on closing night, the highest bids will be declared the winners for each auction specimen.
