## \*\*\* The Pre-Tucson Mineral Sale \*\*\*

As most probably know by now, our website has been offline for the past five days due to internet server migration difficulties. This has made browsing the website nearly impossible. We have everything back up and running finally so today we're going to re-open the Pre-Tucson Mineral Sale for 2017 and extend the huge sale discounts to ALL Showrooms on the entire website starting today!

The sale discounts will vary by specimen and showroom and will be as much as **50% OFF** the original prices displayed on the website. The Keystone Mineral Showrooms are also now double Keystone again which means those prices are **75% OFF** the original online prices. This is by far our largest sale of the year! Please reserve your selections early to avoid any disappointment. Our past sales

have seen specimens move at an incredible pace and there is no limit on items!

**Hundreds of Showroom Specimens are on Sale!**

**All Offers are Welcome!**

**Layaway Options are Available for Every Purchase!**
