New Updates - Auction Closing

We continue to add new specimens to the website. Very nice things in all size and price ranges are available. To view the latest updates click here: [Latest Updates](#)

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. We currently have 121 new specimens up for auction. Some very nice things here! Some of the highlights include:

Several neat Illinois fluorite/calcite specimens, including an unusual greenish one
Fine thumbnail specimens including a neat sceptered aquamarine and aesthetic Nevada barite

Large fine calcites from an unusual Oklahoma locality and a neat one from Wisconsin

Several tourmalines including an historic set from Connecticut

Classic mimetite from the type locality in Saxony

Plus many others

You can find these by clicking on the [Auction Link](#) on our Home Page.
