Featured Mineral

This month your featured mineral is aquamarine in its "rough" form from Brazil. You should expect your packages to arrive during the first week of September.

As everyone knows due to the tragedy in Texas, mail may be delayed, so please be patient .

We are sending prayers and good thoughts to all affected by Hurricane Harvey.

Also available is Aquamarine in Quartz from the same locality. To purchase, click here: www.celestialearthminerals.com and then click on the monthly offerings tab.

Monthly Offering

This month we have Dolomite from our native new York state. This dolomite is interesting as it has fish scale patterning with a pearly luster. We hope you like them as much as we do!

You will find the monthly offering under the Offerings tab section of the website.
