New Update - New Auction Specimens

We have added 25 new specimens to the website, all neat and unusual items from the old Tri-State District. These are culls from our personal collection. Please note that we are currently traveling and will not be shipping again until Saturday, December 2, 2017. To view the latest additions click on the "[Latest Additions](#)" link on our home page.

New auction specimens are now posted. There are 140 great items up for auction this week. The auction will close on Tuesday, December 5, 2017 at 7 p.m. eastern standard time. Be sure to check these out! Some of the highlights include:

1. a wonderful pink and green scepter tourmaline from Brazil
2. fine arsendesclowitzite with mimetite from Mexico
3. Cornish libethenite with very large crystals for the species
4. large fine Cornish cuprite
5. many quite good thumbnail specimens
6. beautiful green tourmaline from Afghanistan
7. large showy red calcite from Tsumeb
8. large excellent Arizona wulfenite, ex Minette
9. selected European classics such as Swiss titanite, Romanian sylvanite, etc.
10. fine Michigan copper with calcite
11. old choice Romanian gold
12. superbly crystallized matrix gold from Bolivia

Plus many others. You can check these out by clicking on the [auction link](#) on our home page.
