New Updates - Auction Closing

WEINRICH — MINERALS —

We are now busy getting the shipments prepared and in the mail from last week's auction. Sorry for the delay with this.

We have been adding new specimens to the website. To view these click on the [Latest Additions](#) link on the home page.

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 114 great items up for sale. Some of the highlights include:

1. numerous choice thumbnail specimens
2. a beautiful elbaite crystal grouping from Brazil
3. excellent unique wulfenite from China
4. neat Povill collection specimens

Plus many others. To view these directly go to the [Auction Link](#) on the home page.
