The Denver 2020 Showroom Updates!

Announcing today, the Final Denver Update for 2020!

The Second Denver Showroom and Final Update for 2020 is now online and ready for viewing and shopping. I can't wait for 2021 to get here but there was just enough time to place one more update online before New Year's Day and this one should

not disappoint! Over two dozen fine specimens from around the world are offered, including Golds, Silvers, gem minerals, Fluorites, Sulfurs, Rhodochrosite, etc.! There's something for everyone in this new showroom! Enjoy the pictures, many of which are by Jeff Scovil, and please feel free to make offers on anything that catches your eye. Layaways are available.
