Rare Minerals are the theme for this update which will include:

- Altaite
- Chambersite
- Churchite
- Junitoite
- Melonjosephite
- Milarite
- Nifontovite
- Niobokupletskite
- Povondraite
- Sarabauite
- Tellurite
- Taperssuatsiaite

and many basic and display specimens including Beryl, Chalcopyrite, an antique Almandine from Falun, Linarite and Elbaite.

We hope to release a **SPECIAL EDITION** next week.

The theme will be The Three Little Pegmatites:
Tip Top mine, Palermo, and Hagendorf.

Don't forget, you do not have to register to purchase minerals!!

But if you do register, you can enjoy several benefits:

- Queue orders - have us hold specimens for you until you want to complete and pay for your order(s). This saves shipping costs.
- Fill out a "want list" - enter several mineral names. When we are about to upload a mineral on your list you will get an email notifying you that we are about to release the mineral to our live galleries.
- In your account area you can download all the photos of the minerals you purchase.
- many more!

Have fun, stay safe and have a nice weekend.
