New U.S. Tourmalines from the Pete Richards Collection

I've added great U.S. tourmaline specimens from the Pete Richards Collection in this new [Update \(click here\)](#). There are beautiful crystals, including fine thumbnail-sized pieces from across the United States.

Canadian Dollar

The currency disparity is significant in favour of the U.S. dollar these days. My usual reminder - prices on the website are in Canadian dollars (if you are thinking in - or used to browsing online minerals in - US dollar terms).
