New from the Pete Richards Collection

I've added great specimens from the Pete Richards collection, from localities around the world, including Germany, Austria, Slovenia, Spain, Greece, Bolivia, Peru, Mexico and more ([click here](#)).

For ease of reference, today's update is in its own section (at the above link), while the rest of the Pete Richards collection specimens are [here](#).

Hope you enjoy the update!

Canadian Dollar

The currency disparity is significant in favour of the U.S. dollar these days. My usual reminder - prices on the website are in Canadian dollars (if you are thinking in - or used to browsing online minerals in - US dollar terms).
