## **New Specimens from the John S. White Collection - Virginia & Maryland Suite**

I've added John's Virginia & Maryland suite to the John S. White Collection pages ([click here](#)). The Virginia suite includes great Fairfax Quarry specimens and also pieces from less prominent localities, including a rare Virginia pyromorphite. The Maryland suite includes a very rare Maryland gold specimen. I hope you will enjoy them!

**Canadian Dollar**

The currency disparity remains in favour of the U.S. dollar these days. My usual reminder - prices on the website are in Canadian dollars (if you are thinking in - or used to browsing online minerals in - US dollar terms).
