The Newest Denver Show Mineral Auction!

*** Specimens from Denver Show 2023 ***

An exciting new Auction opens today with an interesting new offering of specimens from the show, highlighted by some fine Gold and Silver specimens, rare combination pieces, Diopside, Rhodochrosite, gem minerals and even a meteorite!

There are 26 specimens in all, with exceptional specimens from the show and an unique mix of older, classic specimens as well. Browse through the offering and don't miss out on this opportunity to add a new specimen to your collection!

All suggested opening reserves are set to half price or less!

This is a **7 Day Only Show Auction** start to finish. Please bid as often as you like. All reasonable bids will be accepted!
